

The Hilarious Bill Clinton Show

“Bipartisan, current event comedy delivered in the persona of Bill Clinton”

Damian Mason has established himself as the world's best, most in demand, Bill Clinton impersonator. Since 1994, when he resigned his post in corporate America, Damian has performed The Hilarious Bill Clinton Show at well over 1000 corporate events. Damian has worked the stage in 47 states and 7 foreign countries. He's played the part of the former president in 2 major motion pictures and dozens of video productions and television spots.

While there are others who imitate Bill Clinton, Damian is the best choice for your event. He has it all ... the look, the voice, the expressions ...and most importantly...the COMEDY! His sense of timing and spontaneity are impeccable.
