

# **INTRODUCTION FOR “BILL CLINTON”**

**Ladies and Gentlemen: as our industry looks to the future we must meet head- on an increasingly changing political environment.**

**Therefore, we have enlisted the help of one of our country’s most accomplished political minds. I am about to introduce the newest member of our team. An announcement we have kept secret for obvious security and business reasons.**

**This man has achieved great things working in government and is now semi-retired. He is no stranger to affairs both political and otherwise.**

**He is a leader, an author, a spokesman, and now he is joining us as our new \_\_\_\_\_ (Director of Governmental Affairs).**

**Please welcome the newest member of our team, the former president of the United States, Bill Clinton.**
